Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 25 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain easing into the night for most, remaining cloudy.

This Evening and Tonight:
Rain gradually easing for most into the night, but lingering in southwestern parts of the country overnight. Remaining cloudy throughout, but becoming largely dry by dawn. Remaining quite mild. Minimum temperature 8 deg C (46 deg F).

Saturday:
Scattered showers will affect many through the day, but patchy cloud allows for sunny spells, with plenty of dry interludes. Feeling warm in the sunshine, turning dry later. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Some sunshine further north on Sunday, with showers in southernmost areas. Wet in the south on Monday, but drier in the north. Largely dry Tuesday but still cloudy for most.
